

CoralWatch Coral Health Chart Distinctive Specialty Permission Form

Thank you for interest in teaching the PADI approved CoralWatch Coral Health Chart Distinctive Specialty and asking CoralWatch for permission to teach the Specialty. CoralWatch would like to stay in touch with Instructors that help us teaching people about reefs in a changing environment.

Please provide us with the following information:

Name of Applicant: _____ PADI Instructor No. _____

Address: _____

Email: _____

Where are you planning to teach this Specialty? : _____

Please briefly outline your experience with CoralWatch or equivalent:

Have you submitted data to www.coralwatch.org? How often?

Are you involved with any other monitoring / environmental projects?

CoralWatch and the authors of the specialty Chris Roelfsema and Diana Kleine hereby give

_____ permission to teach the CoralWatch Coral Health Chart Distinctive Specialty.

Date:

Signed:

Please email this form to info@coralwatch.org to receive approval from CoralWatch to teach this Specialty. Once you have received approval, please forward this form along with the PADI Specialty Instructor Application to your local PADI Training Department.
